ACUPUNCTURE INFORMED CONSENT TO TREAT

I hereby request and consent to the performance of acupuncture treatments and other procedures (described below) within the scope of the practice of Acupuncture and Oriental Medicine on me (or on the patient named below, for whom I am legally responsible) by Corinne LeBlanc, L.Ac. I understand that acupuncturists licensed in the state of Oregon are not primary care providers and that regular primary care by a licensed physician is an important choice that is strongly recommended by this practitioner.

Acupuncture: I understand that acupuncture is performed by the insertion of needles through the skin at certain points on the surface of the body in an attempt to treat bodily dysfunction or diseases, to modify or prevent pain perception, and to normalize the body's physiological functions. I am aware that certain adverse side effects may result. These could include, but are not limited to: local bruising, minor bleeding, fainting, pain or discomfort, and the possible aggravation of symptoms existing prior to acupuncture treatment. I understand that no guarantees concerning its use and effects are given to me and that I am free to stop acupuncture treatment at any time.

Moxibustion: I understand that if I receive moxibustion as part of therapy, there is a risk of burning or scarring from its use. I understand that I may refuse this therapy.

Chinese Herbs: I understand that substances from the Chinese Materia Medica may be recommended to me to treat bodily dysfunction or diseases, to modify or prevent pain perception, and to normalize the body's physiological functions. I understand that I am not required to take these substances but must follow the directions for administration and dosage if I do decide to take them. I am aware that certain adverse side effects may result from taking these substances. These could include, but are not limited to: changes in bowel movement, abdominal pain or discomfort, and the possible aggravation of symptoms existing prior to herbal treatment. **Should I experience any problems which I associate with these substances, I should stop taking them and call Flow Natural Health Care as soon as possible.**

Acupressure/Massage: I understand that I may also be given acupressure/massage as part of my treatment to modify or prevent pain perception and to normalize the body's physiological functions. I am aware that certain adverse side effects may result from this treatment. These could include, but are not limited to: bruising, sore muscles or aches, and the possible aggravation of symptoms existing prior to treatment. I understand that I may stop the treatment if it is too uncomfortable.

Electro-Acupuncture: I understand that side effects of electrical stimulation may include electrical shock, pain or discomfort, and the possible aggravation of symptoms existing prior to treatment.

I understand that there may be other treatment alternatives, including treatment offered by a licensed physician, which would be beneficial to my health and may be recommended by this clinic.

I have carefully read and understand all of the above information and am fully aware of what I am signing. I understand that I may ask my practitioner for a more detailed explanation. I give my permission and consent to treatment.
